Australia Sivan began singing as a child performing at local charity events and making it to the finals of a TV singing competition, however it was his YouTube channel that sparked his rise to fame. Viewers loved Sivan’s funny, relatable videos and by the time he was 18, he had over four million subscribers. One of his videos even earned him a Teen Choice Award. Internet fame helped Sivan gain even greater notice in 2015 when he landed a record deal and produced the hit song Youth which made it to the top 40 on the Billboard Hot 100. His most recent album Bloom featuring the lead single My My My has been an even bigger success. Sivan has also worked in film appearing in X-Men Origins: Wolverine and Boy Erased. The song he wrote for the latter film earned him a Golden Globe nomination for Best Original Song.

Sivan often takes inspiration from the pop star’s personal life. He writes openly about his relationships with men and his music videos often feature same-sex relationships something few artists dare to do while Sivan is confident in his sexuality today. He struggled with it when he was younger as he didn’t see many gay people around him or in the media. He finally came out to his family at the age of 15 and has since become an advocate for LGBTQ rights. He also won two GLAAD Awards for his contributions to the LGBTQ community. Recently, Sivan has kept busy with his collaboration with Ariana Grande on the single Dance To This as well as appearing in her music video for Thank U Next in 2018. This was followed by his year-long world tour including stops in Taipei, Tokyo, and Seoul to promote his album Bloom. Sivan’s musical talents and engaging personality have allowed him to build strong connections with fans all over.
