Where Wildflowers Bloom (Sisters at Heart Book #1) 2012-01-01

The war between the states stole a father and brother from Faith Lindberg as well as Royal Baxter, the man she wanted to marry. With only her grandfather left, she dreams of leaving Noble Springs, Missouri, and traveling west to Oregon to start a new life away from the memories that haunt her. But first, she must convince her grandfather to sell the family’s mercantile and leave a town their family has called home for generations. When Royal Baxter suddenly returns to town, Faith allows herself to hope that her dreams might come true. Does he truly love her or could another man claim her heart? Will she find that following her dreams may not mean leaving home after all? The characters in Where Wildflowers Bloom jump off the page and into the reader’s heart. Author Ann Shorey infuses her characters with the virtues and quirks that bring them fully alive as they search for contentment and love.

Westward Hearts Box Set 1 2023-03-14

Highwayman’s mail order bride. When Melissa married John Carter because her family couldn’t afford to feed her, she had no idea of the cruelty of the man. John Carter beats her mercilessly and makes her life a living hell after seeing an ad in the paper for paid passage westward. She answers the ad in hopes to use the ticket to escape John Carter. She gets on a coach from Boston heading west with no money and needing a roof over her head. Not just for herself, but for the baby she’s carrying—a baby she has to save from John Carter’s cruelty. Expecting a baby has changed the stakes for Melissa. She must provide a safe and loving home for the child. As if that’s not bad enough, she doesn’t even want to be married. The mail order bride thing didn’t work out so well for this sexy cowboy rancher who says the second time will be a success. He steps into the saloon for a couple of shots of cure all and instead discovers a saloon girl that’s more like a fiery temple virgin. She refuses all the men’s flirtations and offers to go upstairs for a tryst. This woman has upper crust class and a shrew’s temper. He can’t have her and is beyond angry that the time is ticking while he negotiates her ransom. Jed Cunningham, a highwayman, certainly, but one with honor and a heart. He can’t stand the idea of sending the stunning feisty Melissa Carter to marry a wealthy rancher. She’s precisely the kind of woman who needs to be loved. Time is of the essence. If she is to marry in time to convince her new husband, the baby she’ll give birth to is his. A stagecoach robbery is a deterrent she did not count on. The robbers learn her husband is a wealthy rancher. She’s taken hostage costing her precious time in a plan that hinges on timeliness she hates. The leader of the highwaymen hates him with a passion and is beyond angry that the time is ticking. He negotiates her ransom. Jed Cunningham, a highwayman, certainly, but one with honor and a heart. If she is to marry in time to convince her new husband, the baby she’ll give birth to is his. A stagecoach robbery is a deterrent she did not count on. The robbers learn her husband is a wealthy rancher. She’s taken hostage costing her precious time in a plan that hinges on timeliness she hates. The leader of the highwaymen hates him with a passion and is beyond angry that the time is ticking. He negotiates her ransom. Jed Cunningham, a highwayman, certainly, but one with honor and a heart. He can’t stand the idea of sending the stunning feisty Melissa Carter to marry a wealthy rancher. She’s precisely the kind of woman who needs to be loved. Time is of the essence. Wild at Heart 2020-02-04

much is new in family medicine since the last edition of our textbook for example not only is the therapy of human immunodeficiency virus hiv disease and the acquired immunodeficiency syndrome aids much different than a few years ago the epidemiology of the disease has also changed and more than half of the family physicians in a rural state such as oregon have already managed patients with hiv disease or aids 1 there are new immunization recommendations for children and new antibiotics for the treatment of bacterial infections
computers are bringing medical informatics and online consultation into office practice. Medicare physician payment reform is underway and the reality of rationing medical care has been recognized. There has been a recent increase in student interest in a family practice career. Coincidental with a council on graduate medical education recommendation that at least 50 percent of all residency graduates should enter practice as generalists, there is increasing awareness of the need for a center for family practice and primary care at the national institutes of health. This all new fourth edition is intended to present the scientific and practical basis of family medicine with special attention to what’s new in family medicine. The emphasis is on how the physician provides continuing and comprehensive care for persons of all ages with clinical content selected from the perspective of family physicians. The format of the book like the practice of family medicine continues to change.

When You Hear Hoofbeats, Think of a Zebra 2011-04-19

When Hannah dares to love across the boundaries of tradition will she lose everything despite being raised in a traditional old order Amish family. Seventeen year old Hannah Lapp desires to break with custom, forgo baptism into the faith, and marry outside the cloistered community she’s been in love with. Mennonite Paul Waddell for three years and before returning to college for his senior year, Paul asks Hannah to be his wife. Hannah accepts aware that her marriage will change her relationship with her family forever on the evening of their engagement tragedy strikes and in one unwelcome encounter all that Hannah has known and believed is destroyed as she finds herself entangled in questions that the old ways of her people cannot answer. Hannah faces the possibility of losing her place in her family in her community and in the heart of the man she loves when the heart cries is book one in the sisters of the quilt series.

Blood and Thunder 1990-10

Taking his heartbeats for granted, Brian L Fowler MD never thought he would lose any of his own but on October 14, 2009, he discovers his beats are being stolen one by one. The culprit: a rare inflammatory disease called Cardiac Sarcoidosis. Which results in deep penetrating scars that trigger unpredictable life threatening arrhythmias. Dr. Fowler, an emergency medicine specialist, understands the deadly potential of each arrhythmia. His fear of death reveals an additional and more insidious heart disease which is undetectable by PET scan or EKG for its affected heart rests deeply hidden where anguish and delight coexist like his physical heart. His spiritual heart is weary, scarred, and beats chaotically. The two diseased hearts need diagnosis, treatment, and healing. Frustrated, scared, and armed with a physician’s knowledge, a patient’s suffering, and a believer’s doubt, he begins a fascinating journey to discover the real reason for the beating of my hearts with transparency, vulnerability, and honesty Brian allows us to look in on his profound disorientation, hear his questions, follow his search for meaning, and ultimately discover a fresh orientation to the life that was in him all along. I found myself walking closely and attentively with him on his journey. This was well worth the read. J.
