about the progress you're making at work from one of your superiors or peers. Many businesses use performance reviews to monitor employees and keep track of how they perform in the workplace over time. Jennifer Herrity updated April 9, 2024. An effective performance review should discuss an employee's strengths and areas of improvement in a way that's constructive and motivating. Knowing the best phrases to use during a performance review can help you efficiently communicate feedback to your employees. Study with Quizlet and memorize flashcards containing terms like temporalis, masseter, platysma, and more.
