The volume attempts to gauge and analyse the level of denial and deprivation faced by Indian Muslims by evaluating their status after a gap of several years of Sachar Committee 2006 and Rangnath Mishra Commission 2007 reports. It presents and discusses the current conditions with respect to outcome indicators such as population, education, economy, poverty, and unemployment.
consumption level availability of bank loans infrastructure and civic facilities and representation in
government employment by placing facts in perspective it also discusses community specific issues
such as use of urdu madrasa education and waqf in the post sachar era governments started many
schemes to improve the condition of muslims whose reach and impact is assessed with the help of
latest data it presents the social structure of muslims presence of obcs and dalits and suggests a
practical pattern for reservation it follows up the process of implementation of recommendations of
these reports and highlights how the governments adopted tokenism attempted to implement minor
recommendations and shied away from major ones the volume highlights the lopsided attitude of the
previous upa govern ments hostile attitude of the present nda regime and accelerated
marginalization of muslims in today s scenario due to open discrimination mob violence lynching and
