This was thought to be Oman's defining event in 2020, but shortly after the COVID-19 outbreak touched every corner of the world, oil prices continuously sunk to record lows. No doubt, it is a trying time, but we see this 2020 edition of the Business Year Oman as ushering a new era for the sultanate with a refreshed forward-looking perspective. This 260-page publication analyzes how the business community is embracing innovation and technology to create a competitive diversified economy.
