Dreams by Fleetwood Mac

Verse 1
World turns black and white
Pictures in an empty room
Your love starts falling down
Better change your tune
Yeah you reach for the golden ring
You reach for the dream
You dream together is reality
You can have it all just not all at once
You never change your life until
You step out of your comfort zone
Change begins at the end of your comfort zone
We are the music makers
And we are the dreamers of dreams
Hope is a waking dream
